# SUMMER READING PROGRAM LINE-UP

## June 22: Marvel Comic Artist

Join us for a special live drawing demonstration by Marvel Comics illustrator Jerry DeCaire. This program will begin at 2pm in the township hall.

## June 29: Chalk Art in the Park

It's time to get creative. Stop in the library to get your chalk and entry form. Then, head over to the park to start drawing. Your artwork must include yourself as part of the drawing. Once your drawing is complete, return your chalk and have a librarian take a photo of you in your artwork. The best artwork chosen will win a prize. All artwork will be displayed on our Facebook page unless otherwise requested. Drawing time begins at 10am and closes at 5pm.

## July 6: I Spy in the Park

Stop by the library to pick up your clue sheet. Head over to the park to see if you can find all of the items listed. Find them all to receive a sweet treat! The hunt begins at 10am and closes at 5pm.

## July 13: Foam Party

Come to the library for a fun, foam, filled time created by Stormy the Family Entertainer. All foam is allergy-free and environmentally friendly. Your clothes may get damp, but not as wet as a pool or slip and slide. A bathing suit or athletic clothes are recommended. Please dress family appropriate. This program will begin at 2pm by the soccer field.

## July 20: Air Zoo

Join us for a special "Oceans of Possibilities" program put on by the Kalamazoo Air Zoo! This program will begin at 2pm in the township hall.
