

Welcome to Summer Reading 2021! Sign up begins June 14th and runs through July 31st. Come to the library on June 14th and go to the table that coincides with the grade that your child is going into in September. Someone will add your child's name and age to the sign-up sheet. Your child will be given a bag containing materials they will need for a successful reading experience. Minutes that your child reads will be recorded and verified by a parent.

READING REQUIREMENTS:

GREEN Preschool through 1st grade must be read to/or read 13 hours

BLUE 2nd grade through 5th grade must read 17 hours

ORANGE 6th through 8th grade must read 21 hours

YELLOW 9th through 12th grade must read 28 hours

August 2nd - 14th reading sheets with required hours listed, totaled and signed for verification, may be turned in. He/she will receive a bag filled with a book, coupons and several miscellaneous prizes.

- Every week except the first, each child will receive 1 or 2 crafts to bring home.
- Most of the programs will be held outside. If we have inclement weather, the program will be canceled and we'll send out a notification via Facebook or our website.

- Any time after July 6, you may come in to sign up for the Grand Prize. There is only one winner throughout the cooperative. You could win a shopping spree at the Great Lakes Crossings Outlet Mall and a membership to John Ball Zoo.
- For the pet show on July 8th at 11:00am, please register your pet at the pavilion in the park upon arrival. Instructions will follow.
- On July 15, at 2:00pm, come to the library for a fun time playing with Nerf presented by Joel Tacey. He provides everything (blasters, darts, team vests, safety goggles and obstacles) that is needed to run, dodge and dive while trying to out-wit and out-blast the competition! Child must be 6 years old or older.
- Starting Monday, July 26th, we will once again have a giraffe and cow stuffed animal (just like build-a-bear) from Noah's Ark. They will be available for \$6.00 and it will be first come - first serve until they are gone.
- Teens, age 13 and older, can participate in a digital animal scavenger hunt put on by libraries across the state of Michigan. They enter by finding animal descriptions on library websites, and inputting those animals into the MiLibraryQuest entry form to be entered for a chance to win a prize. Visit mi.gov/milibraryquest for more details.
